

# Auld Reekie Blues

Reverend and the Makers

I'm running for the last train to leave  
Before it's too late and I'm stuck here again  
With these Auld Reekie blues  
And I just wanna be

Home  
(Yeah)  
With you  
(Yeah)  
You and only you  
(Yeah)  
I've gotta let you know  
(Yeah)  
I fell into a hole  
(Oh la-la)  
I fell into a hole  
(Oh la-la)  
I fell into a hole

Sharp fragments of the night before  
Slowly brought to focus in the half light  
As my blind eye returns to sight  
Still I just wanna be

Home  
(Yeah)  
With you  
(Yeah)  
You and only you  
(Yeah)  
I've gotta let you know  
(Yeah)  
I fell into a hole  
(Oh la-la)  
I fell into a hole  
(Oh la-la)  
I fell into a hole  
(Oh la-la)  
I fell into a hole  
(Oh la-la)  
I fell into a hole
