

# Black Widow

## Reverend and the Makers

If the truth's to be told, it's just you best fit the mold  
That she formed long ago  
It's all a part of a plan, obtain the house then the man  
Before she gets too old

She's gonna swallow you whole  
'Cause she's a black widow

Guess you've been wondering how, if we were younger than now  
Would your world be a stage  
Or does the slumber that comes from living under her thumbs  
Render it all a cage

She's gonna swallow you whole  
'Cause she's a black widow

There's only one prognosis, anybody coming to  
She got you via hypnosis, she got the claws in you  
There's only one prognosis, anybody coming to  
She got you via hypnosis, she got the claws in you
