

Boomerang

Reverend and the Makers

Still the same you
Yeah, we know you're so cold
Tryna sell your snow to the Eskimos
Brand new, second hand
The Renaissance man
And you come back round like a boomerang
(Like a boomerang, like a boomerang)
Yeah come back round like a boomerang

Now we know that your train's never going to stop
Except for when you wanna throw some people off
Author of the play
You're the go to man
When you come back round like a boomerang
(Like a boomerang, like a boomerang)
Yeah you come back round like a boomerang

Brand new, second hand
The Renaissance man
When you come back round like a boomerang
Author of the play
You're the go to man
When you come back round like a boomerang
(Like a boomerang, like a boomerang)
Yeah you come back round like a boomerang
