

## Eternal Forest

Reverend Bizarre

Among the trees  
In the deepest forest.  
We are here alone.  
We have a place of our own.

How could I tell you what I feel?  
How could I describe  
The flame inside me,  
My will to life?

Such a moment of pleasure,  
To be here with you.  
Like a well-hidden treasure.  
I hope you feel it too.

How strange it is,  
For a while to feel this well.  
But what tomorrow brings,  
It is hard to tell.

I have to make it clear.  
Leave behind all fear.  
Three little words  
I whisper to your ear.
