Teach me to number my days
And count every moment
Before it slips away
Take in all the colors
Before they fade to grey

I don't want to miss Even just a second More of this

It happens in a blink, it happens in a flash
It happens in the time it took to look back
I try to hold on tight, but there's no stopping time
What is it I've done with my life?

It happens in a blink It happens in a blink

When it's all said and done No one remembers How far we have run The only thing that matters Is how we have loved

I don't want to miss Even just a second More of this

It happens in a blink, it happens in a flash
It happens in the time it took to look back
I try to hold on tight, but there's no stopping time
What is it I've done with my life?

It happens in a blink It happens in a blink It happens in a blink It happens in a blink

Slow down Slow down Before today becomes Our yesterday

Slow down
Slow down
Before you turn around
And it's too late

It happens in a blink, it happens in a flash
It happens in the time it took to look back
I try to hold on tight, but there's no stopping time
What is it I've done with my life?

It happens in a blink, it happens in a flash
It happens in the time it took to look back
I try to hold on tight, but there's no stopping time
What is it I've done with my life?

- It happens in a blink
- It happens in a blink
- It happens in a blink
- It happens in a blink
