

Teratogenesis

Revocation

Manipulating the minds of men
Concealed in darkness I prey
Twisting the psyches of the weaklings
Leading them further astray

Come my loyal subjects
Do my bidding as I direct
I, creator of atrocities
The shaper of monstrosities
Your Majesty, of agony and blasphemy

Greed, lust, and gluttony these are but just a few of my favorite sins
Forfeit your sanity and surrender to me
Feel my vile presence within
