

# Happiness

Rex Orange County

I'll be the one  
That stays 'till the end  
And I'll be the one  
That needs you again  
And I'll be the one that proposes  
In a garden of roses  
And truly loves you long after our curtain closes

But will you still love me  
When nobody wants me around  
When I turn 81 and forget things  
Will you still be proud?

Cause I am the one  
That waited this long  
And I am the one  
That might get it wrong  
And I'll be the one  
That will love you  
The way I'm supposed to, girl

But will you still love me  
When nobody wants me around, around  
When I turn 81 and forget things  
Will you still be proud?

Proud of me, of my short list of accomplishments  
Me and my lack of new news  
Me and my selfishness  
Or me and myself wish you nothing but a happy new version of you  
Cause I, I, I...  
I want you to tell me you find it hard to be yourself so I can  
say, "It's gonna be alright."  
And I want you to love me the way you love your family, the way  
you love to show me what it's like to be happy
