

# Everlasting Love

Rex Smith

Hearts go astray  
Leaving hurt when they go  
I went away  
Just when you needed me so  
Finding your way  
You come back wanting me  
I'm gonna stay  
Loving you endlessly

Open up your eyes, then you'll realize  
Here I stand with my everlasting love  
Need you by my side, there's no need to hide  
You'll never be denied everlasting love

Look in my eyes  
See my love burning strong  
No more goodbyes  
In your arms I belong, baby  
Our time has come  
All my dreams have come true, darlin'  
Two hearts as one  
Loving me, loving you

Open up your eyes, then you'll realize  
Here I stand with my everlasting love  
Need you by my side, there's no need to hide  
You'll never be denied everlasting love  
From the very start, we'll open up our hearts  
We'll be a lasting part of everlasting

Where life's really flows, no one really knows  
'Till someone's there to show the way to lasting love  
Like the sun that shines, endlessly it shines  
You always will be my everlasting love  
When other loves are gone, ours will still be strong  
We'll have our very own everlasting love

Open up your eyes, then you'll realize  
Here I stand with my everlasting love  
Need you by my side, there's no need to hide  
You'll never be denied everlasting love  
From the very start, we'll open up our hearts  
We'll be a lasting part of everlasting

Open up your eyes, then you'll realize  
Here I stand with my everlasting love  
Need you by my side, there's no need to hide  
You'll never be denied everlasting love  
From the very start, we'll open up our hearts  
We'll be a lasting part of everlasting

Open up your eyes, then you'll realize  
Here I stand with my everlasting love  
Need you by my side, there's no need to hide  
You'll never be denied everlasting love
