

Forever

Rex Smith

They say that you and I
Are reachin' far too high
We know our love is young
We've only just begun

Through the night
We hold each other tight forever (forever, forever)

A love like yours and mine
Will stand the test o' time
Like rivers to the sea
Your love returns to me

Through the night
We hold each other tight forever (forever, forever)

forever
I'll be yours forever
You're mine

You will be the one to fill my life
To stand beside me
I will be the one
The one you'll run to
You can depend on

Forever
I'll be yours forever
You're mine

Forever
I'll be yours forever
You're mine

Forever, forever
Forever, forever
Forever
