

# I Can't Explain

Rex Smith

I've got a feeling inside (I can't explain)  
A certain kind (I can't explain)  
I feel hot and cold (I can't explain)  
Way down in my soul, yeah (I can't explain)

Ooh, ooh, can't explain  
I'm feeling good now, yeah, but I can't explain (Ooh, can't explain)

Dizzy in the head, it's making me blue  
The things she said, well, maybe they're true  
I'm getting funny dreams, again and again  
Don't know what it means, but

I can't explain, I think it's love  
I sing it to you  
When I feel blue  
Yeah

I've got a feeling inside (I can't explain)  
A certain kind (I can't explain)  
I feel hot and cold (I can't explain)  
Way down in my soul, yeah

Ooh, ooh, can't explain  
I'm feeling good now, yeah, but I can't explain (Ooh, can't explain)  
I'm dizzy in the head  
Making me sad  
The things you said  
Have got me real mad  
I'm getting funny dreams, again and again  
Don't know what it means, but

I can't explain, I think it's love  
I sing it to you  
When I feel blue  
I can't explain, I think it's love  
I sing it to you  
When I feel blue

I can't explain, I think it's love  
I sing it to you  
When I feel blue  
Oh (I can't explain)  
Ooh, I'm going out of my mind  
Ooh, and I'm a worried guy  
Ooh, I can't explain
