

## Far2Easy / Vanilla Ice

Rexx Life Raj

They see us and stop us because they see that we popping, yeah  
we know it  
Don't be a distraction cause that'll be your subtraction bitch  
we focused  
Working overtime, get better over time  
I remember they used to give me that funny eye  
Now I'm in places that they can't come inside, my bitch is sunn  
yside, I'm letting money fly  
Too many messages I ain't reading them, above the bullshit, off  
this helium  
In this bitch, dick like a fat nigga wearing a medium, kill the  
m off on every medium, oh  
I told my mama I'll get it straight  
Stepped out the door and got on the way  
A nigga never got shit sitting back and watching  
I guess somebody gotta get it rocking, and we know losing ain't  
an option

I know I'm the guy, [?]  
I pull out the ride, I step out the Benzo  
Let all of your friends know  
When I walk in and ya'll look up  
Model bitches wanna hook up  
Bottles on bottles I'm blessed up  
This how it feel when you're next up  
I came in shit in my 'Rari  
I will not answer don't call me  
I am in love with the money  
You will never fucking stop me, oh  
My bitch in my whip they all foreign, foreign  
[?] I'm scoring, scoring  
You can come through if it's low key, low key  
I am not struggling this shit is easy, easy
