

# Contradiction

REYKO

I'm a contradiction  
I mix real and fiction  
Just so you're aware  
Don't trust what I say  
I'm a contradiction  
Words are my affliction  
I came here to talk  
Listen to my voice

I'm a contradiction  
I get lost in fiction  
Things can get intense  
You should run away  
I'm a contradiction  
Pure romanticism  
It's the way I work  
I don't have a choice

I'm a contradiction  
I mix real and fiction  
I can see you've stayed  
And you don't seem scared  
I'm a contradiction  
Words are my addiction  
Welcome to my world  
Listen to my voice
