

Hierba Mala

REYKO

I've been hearing the rumors
That everyone never stops talking 'bout
They're spreading so fast
They're coming and going and never stop
They keep saying he's playing and lying
Whenever he's going out
He wakes up at night
He's running and chasing and never stops

I-I-I...
Keep telling you
Keep telling you
Keep telling you-oooh-oooh
I-I-I...
I keep telling you
I keep telling you

Hierba mala, hierba mala
Asi es como le llaman
Whenever he gets in your mind
He never leaves
Hierba mala, hierba mala
Asi es como le llaman
Be careful, don't let him get
Under your skin

I've been hearing the stories
That no one will ever quit talking 'bout
They're circling around
And over and over and never stop

I-I-I...
Keep telling you
Keep telling you
Keep telling you-oooh-oooh
I-I-I...
I keep telling you
I keep telling you

Hierba mala, hierba mala
Asi es como le llaman
Whenever he gets in your mind
He never leaves
Hierba mala, hierba mala
Asi es como le llaman
Be careful, don't let him get
Under your skin

I've been telling you
But you never wanted to listen
I've been warning you
But you never wanted to listen
If you let your guard down
He will end up taking his prey

Hierba mala, hierba mala
Asi es como le llaman

Whenever he gets in your mind
He never leaves
Hierba mala, hierba mala
Asi es como le llaman
Be careful, don't let him get
Under your skin

Hierba mala
Asi le llaman
Hierba mala
