

Josephine

REYKO

Josephine, can't you see?
He isn't worthy of your time and grief
Josephine, can't you see?
His only agenda is to deceive
Oh Josephine, don't cry for him
He's nothing like you think
Josephine, can't you see?
He isn't worthy of your time and grief

Another broken heart
Filled with tears and lies
Another broken dream
She couldn't see this coming anyway
The oldest story that repeats itself again and again

Josephine, can't you see?
He isn't worthy of your time and grief
Josephine, can't you see?
His only agenda is to deceive
Oh Josephine, don't be naive
There's nothing true about him
Josephine, can't you see?
He isn't worthy of your time and grief

Another wounded soul
Life, it takes its toll
Another wasted dream
She wouldn't try to listen anyway
The saddest story that repeats itself again and again

Josephine, can't you see?
He isn't worthy of your time and grief
Josephine, can't you see?
His only agenda is to deceive
Oh Josephine, don't cry for him
He's nothing like you think
Josephine, can't you see?
He isn't worthy of your time and grief

Josephine
Oh Josephine
He will deceive
