

Leaving Station

REYKO

All the little details that you read below this page
Need to be all sorted if you want to take this train
All the little details that are being such a pain
Need to be all nice and clear and don't be running late

All the little boxes you can see throughout this form
Have to be completed if you plan to cross this door
All the little little things you're trying to ignore
Must be carried out in time and please, don't take too long

Actually
Just sign at the bottom of the page, please

We're leaving station
And I'm losing patience
We're leaving station
And I'm losing patience

We're leaving station
And I'm losing patience
We're leaving station
And I'm losing patience

Skippping any steps won't put you higher on the list
Do as you're instructed and stop trying to insist
Let's start with the basics will you show me your ID?
You will have to prove yourself before I let you in

Don't try to bend the rules I keep reminding you
Every single detail you provide should be true
We're running out of time and you can see the queue
So go on and complete the form 'cause we're departing soon

We're leaving station
And I'm losing patience
We're leaving station
And I'm losing patience

Are you coming
Are you coming
Are you coming
Are you coming with me

Actually
Just sign at the bottom of the page, please
Actually
Just come in
Don't worry about it

We're leaving station
And I'm losing patience
We're leaving station
And I'm losing patience

Are you coming
Are you coming
Are you coming

Are you coming with me

Harry up, we're leaving
