

# Surrender

REYKO

I could be queen  
Of all I see  
If you're standing next to me

And we could rule  
This sacred land  
If only you would take my hand

I never meant to start a war  
What the hell are we fighting for  
So who will be the first to take the fall

So if you surrender  
To me  
We'll have a great adventure  
You'll see  
So just close your eyes and step inside my dear  
So if you surrender  
To me

Don't make me go  
Draw more blood  
Drag my sword through the grass and mud

I will march  
For a hundred miles  
And take you back to the emerald isle

I never meant to start a war  
What the hell are we fighting for  
So who will be the first to take the fall

So if you surrender  
To me  
We'll have a great adventure  
You'll see  
So just close your eyes and step inside my dear  
So if you surrender  
To me

Wave your flag for me  
Wave your flag for me  
Wave your flag for me  
Wave your flag for me  
I never meant to start a war  
What the hell are we fighting for  
So who will be the first to take the fall

So if you surrender  
To me  
We'll have a great adventure  
You'll see  
So just close your eyes and step inside my dear  
So if you surrender  
To me
