

# Unbelievable

REYKO

You burden me with your questions, you'd have me tell no lies  
You're always asking what it's all about, darling listen to my replies

You say to me, I don't talk enough, but when I do, I'm a fool  
These times I've spent I've realized, I'm gonna shoot through a nd leave you

The things you say, your pro-pro-prose just gives you away  
The things you say

You're unbelievable  
You're unbelievable

You burden me with your problems, by telling me more of mine  
I'm always so concerned with the way you say you've always gott a stop  
To think of us as being one is more than I ever know  
But this time I've realized, I'm gonna shoot through and leave you

The things you say, your pro-pro-prose just gives you away  
The things you say

You're unbelievable  
You're unbelievable

The things you say, your pro-pro-prose just gives you away  
The things you say, it's why I love your more  
The things you say, your pro-pro-prose just gives you away  
The things you say

You're unbelievable  
You're unbelievable  
You're unbelievable  
You're unbelievable
