

Stress

Rezz

I know how to undo all the straps that
Keep you messed up
Keep you stressed up
It's a rescue

Guess you screwed up
Cause you're mine now
Cause you're mine now
Cause you're mine now
Cause you're mine now

I know how to undo all the straps that
Keep you messed up
Keep you stressed up
It's a rescue

Guess you screwed up
Cause you're mine now
Cause you're mine now
Cause you're mine now
Cause you're mine now

I'm so stressed out
I'm so stressed out
