

Seven Heroic Deeds

Rhapsody of Fire

Sic Est, Amen

Prison of fire, burning in hell
Infernal choirs whisper a spell
The reign of the demons is craving for blood
Ain't no place for heroes, ain't no place for god

Pain is so deep that I'll fight till the end of time

Hey nameless creature beware of my sword!
Why do you crave for my bloody soul?
"Cause I can redeem you... And this is the deal:
Seven heroic deeds... Just take it or leave"

Now there's no choice: I will sign and I'll serve you

Tenebrarum, miserere
Ex vocavi miserere!

I will ride flames of destiny
Rise to conquer the world
I'll break these chains
My will can change my fate

Tenebrarum, miserere
Ex vocavi

Tenebrarum, miserere
Ex vocavi miserere!

I will ride flames of destiny
Rise to conquer the world
I'll break these chains
My will can change my fate
Oh God

Tenebrarum, Miserere
Ex Vocavi Miserere!

Tenebrarum (Fera, Bellum, Homo)
Miserere (Genus, Corpus, Ade)
Ex Vocavi (Ignis, Corpus, Ego)
Miserere (Vitae, Bellus, Mortem)
