

Alien Curse Words

Rhett & Link

[Rhett and Link:] Sometimes things happen to me, that make me want to curse. Like when I accidentally forget, where I left my manpurse.

[Link:] Not that I have a manpurse.

[Rhett:] But I would prefer not to offend fellow humans 'cos I am one!

[Rhett and Link:] If there was only cursing terminology that seemed appropriate in all situations....

[DeStorm:] Hey guys, guess what?

[Rhett and Link:] What?

[Destorm:] Yo, I landed on a planet that we used to call Pluto. These aliens attacked. I could'a sworn they known judo! I made it out alive with a gift to humanity. To my surprise it was a satchel of profanities! Peep gang. It was words like;

[Rhett and Link:] Boomshkie

[Destorm:] They said that.

[Rhett and Link:] Snigglesnoorp, SwaqQ@ffufle, Imz#w, Zilkr*k, GleP**\$h, D@rt@f#\$

[Destorm:] So offensive!

[Rhett and Link:] Dubopshazinski

[Destorm:] Wow.

[Rhett and Link:] Frozen cherries, Flin9p00p, W@fl@nk, DeRbrAgE l, Blarfelnoggle!

[Destorm:] And then they had the nerve to say,

[Rhett and Link:] Fl#rplest#mpkin!

[Destorm:] So I call NASA and I get outta there! Yup.
