

## Naked

Rhett & Link

Naked

No, oh, oh, I can't take it  
No, you'll never ever see me naked  
(Blippity blop, blop!)

When I was a baby I was born unclothed  
I cried, cried, cried, 'cause my wee-wee was exposed (Wah!)  
When I take a shower, I wear bathing suits  
So if somebody barged in they won't see my fruits (Banana!)

I won't go to the doctor to turn and cough  
'Cause before you turn and cough, you gotta take your undies off  
I got a birthmark on my bum I'd rather no one see  
It looks like a cave drawing of Judge Judy (Guilty!)

Naked

No, oh, oh, I can't take it  
No, you'll never ever see me naked  
(Zip-a-Dee-Doo-Dah!)

You won't see me naked over my dead body  
And when I die, don't perform an autopsy (Scalpel!)  
'Cause I'm pretty sure you have to be naked for those  
And in that case my cause of death I'd rather not know (Measles!)

You'll never see me naked, trust me, bro  
'Cause clothes is what separates us from the animals  
Well, that and perhaps self-consciousness  
But what is consciousness if not knowing to wear pants

Naked

No, oh, oh, I can't take it  
No, you'll never ever see me naked
