

## Come Around

Miller, Rhett

I'm dressed all in blue and I'm remembering you  
And the dress you wore when you broke my heart  
I'm depressed upstairs and I'm remembering where  
And when and how and why'd you have to go so far

Am I gonna be lonely for the rest of my life  
Am I gonna be lonely for the rest of my life  
I'm gonna be lonely for the rest of my life  
Unless you come around so come around

I'm dressed all in white and I remember the night  
You came on to me and opened up my heart  
I was hollow then till you filled me in now I'm empty again  
I should have never let it start

Am I gonna be lonely for the rest of my life  
Am I gonna be lonely for the rest of my life  
I'm gonna be lonely for the rest of my life  
Unless you come around so come around

No one else can fix me although sometimes my heart tricks me  
Into thinking someone else will do  
But you're the only one you are the only one  
Am I gonna be lonely for the rest of my life

Am I gonna be lonely for the rest of my life  
I'm gonna be lonely for the rest of my life  
Unless you come around so come around  
So come around so come around

I'm dressed all in blue and I'm remembering you  
And the dress you wore when you broke my heart
