

# Broken Man

Rhett Walker Band

I've done a little living  
Things I ain't proud of  
And my best intentions  
They all turn to dust

I've burned some bridges  
Learned some lessons  
Made me who I am today  
Somewhere between a sinner and a saint

I get lost, I get found  
Lose my way, but I turn around  
Hit my knees, lift a prayer once again  
Ask for mercy, ask for grace  
Then I do the best I can  
And I thank God He loves a broken man

I got a few children  
And a wife I love  
Their eyes are watching  
Oh, and I don't want to mess this up

I've come so far from the man that I was  
Still I've got so far to go  
Just holding to the one thing that I know

Oh, I know I get lost, I get found  
Lose my way, but I turn around  
Hit my knees, lift a prayer once again  
Ask for mercy, ask for grace  
Then I do the best I can  
And I thank God He loves a broken man

Somehow I've seen Heaven  
Use the mess I've made  
To bring me from the ashes  
And show me I can change  
Oh, even I can change  
I get lost, I get found

I get lost, I get found  
Lose my way, but I turn around  
Hit my knees, lift a prayer once again  
Ask for mercy, ask for grace  
Then I do the best I can  
And I thank God He loves  
I thank God that He loves

I thank God He loves a broken man
