

I Surrender

Rhett Walker Band

All these miles, all the pain
The million times, I lost my way
A guilty past I've held onto
I lay them down, I run to You

I surrender, everything I am
I surrender, my heart into Your hands
My hope, my Lord
My life is Yours
I surrender
I surrender

All my dreams, all my doubts
The fear that fights to drown You out
Oh take it all to the ocean floor
Yeah, who I was, I am no more

I surrender, everything I am
I surrender, my heart into Your hands
My hope, my Lord
My life is Yours
I surrender
I surrender

I'm not my own, bought at a price
By the King of kings, who gave His life
To break my every chain and set this captive free
Oh Jesus, all of me

I surrender, oh everything I am
I surrender, my heart into Your hands
My hope, my Lord
My life is Yours
I surrender
Oh, I surrender

Lord, I surrender
Oh, I surrender
