

# Peace In The Family

Rhett Walker Band

We don't want the hurting  
We don't want the war  
Be the revolution  
What are we fighting for?  
Feel the Spirit pouring down now  
See the healing with your eyes  
It's lighting up the darkness  
That's how we rise

Let love run the streets  
Let love run the streets  
One love, same blood  
Peace in the family  
Brother, Sister  
Love is all we need  
Mother, Father  
We need peace in the family  
We all live many different lives  
You and me same inside  
One love, same blood  
Peace in the family  
Peace in the family  
Peace in the family

We should come together  
Throw out all the pride  
Take the hate out the weather  
Sun's gonna shine  
Don't let them drown you out now  
Don't let them cover up your eyes  
We're comin' out the darkness  
We always rise

Let love run the streets  
Let love run the streets  
One love, same blood  
Peace in the family  
Brother, Sister  
Love is all we need  
Mother, Father  
We need peace in the family  
We all live many different lives  
You and me same inside  
One love, same blood  
Peace in the family  
Peace in the family  
Peace in the family

We need peace in the family  
Need peace in the family  
We need peace in the family  
Need peace in the family  
Brother, Sister  
Love is all we need  
Mother, Father  
We need peace in the family  
We all live many different lives

You and me same inside  
One love, same blood  
Peace in the family  
Peace in the family  
Peace in the family
