

Avalon

Rhiannon Giddens

In Avalon, in Avalon
We'll all be together in Avalon
In Avalon, in Avalon
We'll all be together in Avalon

It was three weeks ago one cold summer day
Mother went on her lonely way

In Avalon, in Avalon
I'll meet my mother in Avalon
In Avalon, in Avalon
I'll meet my mother in Avalon

Through the glass all alone
He followed his lover home

In Avalon, in Avalon
I'll meet my father in Avalon
In Avalon, in Avalon
I'll meet my father in Avalon

When the time has come and life is bare
I'll make the journey and I know where

In Avalon, in Avalon
We'll all be together in Avalon
In Avalon, in Avalon
We'll all be together in Avalon
In Avalon, in Avalon
We'll all be together in Avalon
In Avalon, in Avalon
We'll all be together in Avalon
In Avalon, in Avalon
We'll all be together in Avalon
In Avalon, in Avalon
We'll all be together in Avalon
