Glow

Rhodes

There's a man
There's a man
There's a man in me
And he's always careful
Always careful

There's a light
There's a light
There's a light in you
And it's all I care for
All I care for

Summer seems to love you
And just leave you in the rain
Why don't you come a little closer?

Glow, glow my way
My way
Oh

Maybe I was born to feel afraid
My favorite place, my favourite place
Maybe I should turn my face away
Would you come back then?
Come back then

Summer seems to love you
And just leave you in the rain
Why don't you come a little closer?

Glow, glow my way
My way
Oh
Glow, glow my way
My way
Oh

We can just lie together
We can just lie together
We can just lie together
We can just lie together

Glow, glow my way
My way
Oh
Glow, glow my way
My way
Oh
