

Losing It

Rhodes

Everyone's outside, but I'm staying in
Not losing it, I wanna work my hand
I'm not losing it, I still got my plans
Everyone's dreaming, but I'm sleepless again

Am I losing it?
Do you think I am?
Am I losing it?
I don't think I can

I wanna give you my love
I wanna give you my love
I wanna give you my love
I wanna give you my love
