

## You & I

Rhodes

I don't mind if you lie with me  
You're my friend  
I don't like to hide

Think about all the foreign things in our lives  
And how time can fly  
Oh is it still you and I, forever?  
Is it still you and I, forever?

Whether you like it or you don't  
Sometimes we live alone  
If we can find a little hope  
We can make it on our own

I don't mind if you cry with me  
You're my friend  
I know times can get hard

Oh is it still you and I, forever?  
Is it still you and I, forever?

Come on, you're close to me  
Come on, so talk to me  
Come on, lay with me  
Come on, you're close to me  
Come on, so talk to me  
Come on, get close to me

You and I...

Is it still you and I, forever?
