

Helpless

Rhye

Things I do for you
Write a million love songs, hey, hey
Sell out to my heart
Come with me, please
Give me heart, give me love, give me rage

'Cause if it happens, you're helpless
Oh, when it happens, so selfless
Can you imagine you giving in?
(I'm getting to your heart, baby)
Won't be so jealous then, so let me in

Things you do for me
Give a million love songs
Knew it from the start
I'll grow with you, oh
Give you heart, give you love, give you rage

Feeling dark, feeling soulful
Let it rain playful
Feeling dark, feeling soulful
Let it rain playful

'Cause if it happens, you're helpless
Oh, when it happens, so selfless
Can you imagine you giving in?
(Hear my love song)
Won't be so jealous then, so let me in
(You can take to the love songs)

Ooh-ooh-ooh, I'm helpless
Hey-ey, you're helpless
Oh-oh, I'm helpless

It's just the way that it falls
It's in the way, let it cross me
It's just the way that it falls
It's in the way, let it cross me

So don't be afraid of me
I won't be afraid of you, I won't be afraid
Don't be afraid of me
I won't be afraid of you, I won't be afraid
