

## Major Minor Love

Rhyme

I'm so bad, I'm so bad (4x)

Across your face...

You've got my heart beating triple time  
A dark rhythm beating just behind  
Expose those subtle rewards across your face

I'll lace your thighs with beautiful lies, kidnap your mind  
I'll help you find a gentle pain that runs through your veins

It's like the sun, with black rays  
So bad, I'm so bad, I'm so bad, I'm so bad  
I'm so bad, I'm so bad, I'm so bad  
I'll win over that side in you  
I'll be that pretty noise for you  
I'll be that sonic boom  
So bad, I'm so bad, I'm so bad, I'm so bad  
I'm so bad, I'm so bad, I'm so bad

I went over that part of you  
Played that pretty line just for you  
I'll be that gentle tune (a gentle tune)  
You're caught in my bind, a different kind  
I'll help you find what's in your mind  
I'll be that pain across your face  
So much pain...

It's like the sun, with black rays  
So bad, I'm so bad, I'm so bad, I'm so bad  
I'm so bad, I'm so bad, I'm so bad  
It's a major minor love  
So many things I want to do  
I'll split you into two, making you two minds about it...  
So bad, I'm so bad, I'm so bad, I'm so bad  
I'm so bad, I'm so bad  
You'll be my body of work  
It's a major minor love

I'm so bad, I'm so bad (4x)  
It's a major minor love (a major minor love)  
I'm so bad, I'm so bad (3x)
