

## Needed

Rhye

Why sound so solid? Why you feel so sad?

Hmm, hmm

Why sound so solid? Why you feel so sad?

Ooh, ooh, ooh

Tell me what's about it, baby? Don't just wish you had

Only push me down, baby, don't you need me this way?

I wanna be needed

I wanna be needed

I wanna be needed, that's what I need

I wanna be needed, that's what I need

Why you look so fragile? Do I seem so bad?

Hmm, hmm

Oh, you look so pretty, there's no devils here

Oh, oh

What you want from me, baby? Don't you know you have?

Oh, I'll keep your dreams, babe, crashing, waste, or sad

I wanna be needed

I wanna be needed

I wanna be needed, that's what I need

I wanna be needed, that's what I need
