Rhymefest

Break it down c'mon!  
Yeah, yeah, yeah c'mon

Hop in  
For a ride in my whip  
No friends  
Just you and a kid  
Let's spin  
Till we dizzy as shit  
Takin' a trip  
Me and you makin' a hit  
Slow down  
Don't get ahead of yourself  
Go down  
I got some head for myself  
Profound  
I'm like water in Hell, coolin' you off  
Dousin', makin' it soft  
Wait  
This ain't jail  
Go and put the bars down  
Realize that you rollin' with a star now  
Let's start now  
I'll let you browse the web and we can shop all day  
Go get the cart now  
Uh  
I had to get some swagger back  
A lot of MC's need to get your talent back

Work at J-Records, here's my album, package that  
Thank you, now I'm advancin'  
Out on the floor with your chick for ransom and we...

Back it up now  
Back it up now  
(Dancin', dancin', dancin')  
What your girlfriend is  
(She's a dancin' machine)  
Back it up now  
Back it up now  
Back it up now  
Back it up now  
(She's a dance, dance, dance, dancin' machine  
Watch her get down, watch her get down  
As she do, do, do, do her thing right on the scene)  
In the club in the club in the club  
(She's a dance, dance, dance, dancin' machine  
Watch her get down, watch her get down  
As she do, do, do, do her thing right on the scene)  
She's a...yeah
