

# Higher

## Rhymefest

Do you wanna take it higher? (Higher!)  
Do you wanna take it higher? (Higher!)  
Do you wanna take it higher? (Higher!)  
Do you wanna take it higher? (Higher!)  
Do you wanna take it higher? (I said higher!)  
Higher! (Higher!)

Right now! (Higher!) Higher! (Higher!)  
Right now! (Higher!) Higher! (Higher!)  
Higher! (Higher!) Higher! (Higher!)  
Take it higher, people!

When I do my thing, the crowd goes nuts  
Rappers hate, the media says, "What-  
Kind of music is that for him to rap?"  
Pro-black, no crack, El Che is back, I  
Kill it, hot like skillet  
Chuck D with muscles, here, baby, feel it  
Jaguar Paw, I fight for my village  
Hands up high, you see how we feel it, uh  
Touch that, rub that, love that  
I'm 24s, your boyfriend's a hubcap  
(Knock 'em out, 'Fest) This ain't love taps  
It's 21 questions, but this ain't love raps  
It's more like sweat-and-blood raps  
Six feet below, but I rise above that  
From dirt to light, back to the fire  
Let me hear it from the choir, I'ma go

Right now! (Higher!) Higher! (Higher!)  
Right now! (Higher!) Higher! (Higher!)  
Higher! (Higher!) Higher! (Higher!)  
Take it higher, people!

Come, get some, son of a bitch  
Made a half-mil and I still ain't switch  
Didn't sell records and I still ain't quit  
Kill dogs like Vick, cool like fix [?]  
Moulin Rouge, y'all do's like this  
Voodoo, true blue, diamonds, priceless  
Get this, you want a battle? Tsk-tsk  
I give yo ass a slipped disk  
Get your thumb out  
Get a ride home, hiking, hitch-hitch  
Hope you get killed in a ditch-ditch  
Bring your girl around Rhymefest?  
She gon' get kissed lips  
Drug test, you all piss-piss  
Karate snake-bite mother-(woo!)  
I call it Hiss-hiss  
Dick chocolate like Swiss Miss, sip this

Higher! Oh!  
Wanna take it higher? Come on!  
You got to take it! Oh!  
Why don't you take it? Ooh!  
Come and take it higher!

You wanna take it higher?  
Ooh! Oh!

Yeah, see, we gon' get the Holy Ghost in here tonight!  
We gon' raise the roof up in here tonight!  
See, you could let your grandmama hear this!
