

## The Cipher

Rhymefest

Oh boy. What could I sing? Who is it? Ummm.

Just, just c'mon dude let's do it like this.

[MJ] Hee Hee! I just sing it

[Rhymefest] Yeah, c'mon.

Yeah, yeah, look, okay, look  
Rhymefest, I got that trouble touch  
You get the beat I hop in it like double dutch  
Yeah Mike you famous, the crowd is learnin' me  
I'm big in the hood but you big in Germany  
I take an MC out, make him dead, permanently  
Maybe that ain't a word, but it ain't concernin' me  
C'mon

I gave my money  
I gave my time  
I gave up everything inside, one heart could find  
It doesn't seem to matter and it doesn't seem right  
Cause the will has brought no fortune still I cry alone at night  
t  
Oooowww!

Oooh, that's cold G!
