

# Good People

Rhys Lewis

When I'm lyin' at night  
Goin' outta my mind  
Thinking a million things a second

When I'm outta my depth  
Trouble's over my head  
Yeah, whenever my life gets heavy

They'll always be there for me  
They'll always be there for me  
When I'm lost, I'm lucky I've got

Good people helpin' me out  
Yeah, I've got good people there when I'm down  
Yeah, I've got good people liftin' me up  
When I'm low, I'm lucky I know good people

When I was pretty much spent  
After payin' my rent  
And I could barely afford a coffee

When she was kickin' me out  
I showed up unannounced  
With all of my things in boxes

They've always been there for me  
They've always been there for me  
When I'm lost, I'm lucky I've got

Good people helpin' me out  
Yeah, I've got good people there when I'm down  
Yeah, I've got good people liftin' me up  
When I'm low, I'm lucky I know good people

We've all got good people in life to be thankful for  
We've all got good people in life to be thankful for  
So tell 'em how it is, how you couldn't live  
Without the love they give  
We've all got good people in life to be thankful for

We've all got good people in life to be thankful for  
We've all got good people in life to be thankful for  
So tell 'em how it is, how you couldn't live  
Without the love they give  
We've all got good people in life to be thankful for

I'm lucky I got  
Good people helpin' me out  
Yeah, I've got good people there when I'm down  
Yeah, I've got good people liftin' me up  
When I'm low, I'm lucky I know good people

Lucky I know  
(Good people)  
Lucky I know  
(Good people)  
(Good people)
