

Bitter

Rhys

I'm not bitter, bitter
I'm just mad that you
You look better
With her 'round your neck
She's so pretty
Really, I'm so happy for you
I'm not bitter, bitter
Just upset

I tried some therapy but that shit didn't work
And when I focus on my breathing, it gets worse
But it's cool
I'm cool, yeah, I'm cooler than winter

'Cause on the brightside
While you're out on your date night
I get drunk and cry
Oh no, I'm not bitter
No no, I'm not bitter

She is taller, blonder
Bet your kids will be cute
What a keeper
Keep her, good for you (Good for you, I'm happy for you)
She shall be cheeky, freaky
In the hot kinda way
But I'm not bitter, bitter
About that

I tried some therapy but that shit didn't work
And when I focus on my breathing, it gets worse
But it's cool
I'm cool, yeah, I'm cooler than winter

'Cause on the brightside
While you're out on your date night
I get drunk and cry
Oh no, I'm not bitter
No no, I'm not bitter
'Cause on the brightside
While you drown in her blue eyes
I'll be drying mine
Oh no, I'm not bitter
No no, I'm not bitter
No, I'm not bitter

B I T T E R
Bitter
B I, why am I not bitter?
B I T T E R
Bitter
B I, why am I not bitter?
No I'm not bitter
No I'm not bitter
Bitter, bitter, bitter, bitter
Swear to you, I'm not bitter

'Cause on the brightside
While you're out on your date night
I get drunk and cry
Oh no, I'm not bitter
No no, I'm not bitter
