

Last Dance

Rhys

You wanna be free, I'm gonna be fine
In this new reality of a different kind
You wanna be free and I'll be alright
I'll stay away from daylight
And hardly eat at all (eat at all)
Ooooh, but I won't get hung up
I won't get hung up, I won't get strung up
To the fact that we are over, fact that we are over

If this would be the last dance
We'll ever dance together, you and I
Oh if all we ever had was an illusion
And if we gave it every chance
Gave it every goddamn chance
Chance
Gave it every goddamn chance
Chance

I'll be looking for signs
Where there's nothing to find
I'll see you everywhere
It's a trick of the mind (trick of the mind, trick of the mind)
Ooooh, but I won't get hung up
I won't get hung up, I won't get strung up
To the fact that we are over, fact that we are over

If this would be the last dance (this would be the last dance)
We'll ever dance together, you and I
Oh if all we ever had was an illusion (ooooh)
And if we gave it every chance
Gave it every goddamn chance
Chance
Gave it every goddamn chance
Chance

Just a kiss and a smile
Can we pretend for a while?
That we got all the time in the world
We got all the time in the world
All the time in the world

If this would be the last dance
We'll ever dance together, you and I
Oh if all we ever had was an illusion (all we ever had was an illusion)
And if we gave it every chance (every chance)
Gave it every goddamn chance

Ooooooh (chance)
Gave it every goddamn chance
Gave it every goddamn chance (chance)
Gave it every goddamn chance

Ooooooh, chance
Gave it every goddamn chance
Ooooooh, chance
Gave it every goddamn chance
