

# No Vacancy

Rhys

You know a player who could ever keep a promise?  
Well, if you do, now baby, you're not being honest  
I hear your sweet talk, dripping to the static  
I ain't gonna let you, I ain't gonna let you in  
Telling me your only crime is your big heart  
Baby, baby, who you really tryna outsmart?  
Don't you know I know a little thing or two?  
So I ain't gonna let you, I ain't gonna let you in

Ooh, I ain't gonna let you, I ain't gonna let you in  
I don't think you're ready for my love  
I ain't gonna let you

No, no, no, no, no, no, no vacancy (vacancy)  
No, no, no, no, no, no, no more you and me (you and me)  
Ain't got no room for you  
Just doom and gloom for you  
No, no, no, no, no, no, no vacancy (vacancy)

I can hear your heavy breathing down my inner calm  
I know exactly where you've been and where you're coming from  
Busy working to convince me you're the victim  
But I ain't gonna let you, I ain't gonna let you in  
'Cause I want something real this time  
Nothing good turning bad on a dime  
I hear your sweet talk, baby, turning [?]  
I ain't gonna let you, I ain't gonna let you in

Ooh, I ain't gonna let you, I ain't gonna let you in  
I don't think you're ready for my love  
I ain't gonna let you

No, no, no, no, no, no, no vacancy (vacancy)  
No, no, no, no, no, no, no more you and me (you and me)  
Ain't got no room for you  
Just doom and gloom for you  
No, no, no, no, no, no, no vacancy (vacancy)

I don't think you're ready for my love  
I don't think you can handle a good thing  
I don't think you're ready for my love  
Can't have the cookie and eat it too  
If you're wanting me back  
Gotta leave them all behind  
You wanna get in  
I ain't gonna let you

No, no, no, no, no, no, no vacancy (I ain't gonna let you)  
No, no, no, no, no, no, no more you and me  
Ain't got no room for you  
Just doom and gloom for you  
No, no, no, no, no, no, no vacancy (I ain't gonna let you)
