

# I Want It All

Ria Mae

Sometimes I feel something's wrong inside  
These little lights just multiply  
I wonder what it would be like to calm them  
A life with alot less ups and downs  
Feel good enough to sit around  
And contemplate the world outside me

Every old, every old  
Space in the dark I used to hide  
Every old, every unuseful lie  
I feel ready to leave it behind me, I...  
I wanna run to the end of the walls  
I throw everything that I'm holding  
I wanna be someone  
I wanna be something more  
I want, I want

I want it all  
I want it  
Yeah, I want it all  
I want it

Hey, yeah  
Hey, yeah  
Hey, yeah  
Hey, yeah

How long can I balance on the line  
Afraid to fall, afraid to shine  
Why was I so scared to be myself  
A head that's always in a war  
A million things I'm grateful for  
So who am I to need a little more

Every old, every old  
Space in the dark I used to hide  
Every old, every unuseful lie  
I feel ready to leave it behind me, I...  
I wanna run to the end of the walls  
I throw everything that I'm holding  
I wanna be someone  
I wanna be something more  
I want, I want

I want it all  
I want it  
Yeah, I want it all  
I want it

Hey, yeah  
Hey, yeah  
Hey, yeah  
Hey, yeah

Every old, every old  
Space in the dark I used to hide  
Every old, every unuseful lie

I feel ready to leave it behind me, I...  
I wanna run to the end of the walls  
I throw everything that I'm holding  
I wanna be someone  
I wanna be something more  
I want, I want

I want it all  
I want it  
Yeah, I want it all  
I want it

Hey, yeah  
Hey, yeah  
Hey, yeah  
Hey, yeah
