

# Therapy

Ria Mae

I'm finished  
I didn't wanna feel this much  
I'm livid  
I didn't wanna fall in love

Probably give up every second  
And I'd leave my friends alone  
Cancel all my plans  
And just be waitin' by the phone  
I hate it when she looks at me  
Hate it when she leaves  
'Cause I know I need

Ten years of therapy  
To try to get your feel off of me  
I can't move and I can't sleep  
Yeah, I know what that means  
Ten years of therapy  
To try to get your feel off of me  
I fell hard and I fell deep  
Yeah, I know what that means

I feel you  
I didn't want to tell my man  
My whole future  
Is sitting right inside his hands

Probably throw a couple tantrums  
'Cause I feel out of control  
Inevitably, jealousy will take its toll  
Nervous when he looks at me  
Nervous when he leaves  
'Cause I know I need

Ten years of therapy  
To try to get your feel off of me  
I can't move and I can't sleep  
Yeah, I know what that means  
Ten years of therapy  
To try to get your feel off of me  
I fell hard and I fell deep  
Yeah, I know what that means

Yeah, I know, I know, I know, I know, I know  
I'm falling, falling, falling, falling for her, oh  
Yeah, I know, I know, I know, I know, I know  
I'm falling, falling, falling, falling for him, oh

Yeah, I know, I know, I know, I know, I know  
I'm falling, falling, falling, falling for her, oh  
Yeah, I know, I know, I know, I know, I know  
I've fallen, fallen, fallen  
And I will need

Ten years of therapy  
To try to get your feel off of me  
I can't move and I can't sleep

Yeah, I know what that means  
Ten years of therapy  
To try to get your feel off of me  
I fell hard, and I fell deep  
Yeah, I know what that means
