

Under The Bridge

Ria Mae

No, I won't save all the mistakes you have made
I'm not the type to sit and dwell or be fazed
They know I'm not making it up
Everyone knows that you fucked up
Now they know I'm not making it up
Everyone knows that you fucked up

Nobody's speaking up, but they're talking so loud
No one forgot it, they're just waiting for the right crowd
It's not water, water, water, water under the bridge
It's not water, water, water, water under the bridge now

No, I won't wait so you can save face
Won't bury it or put in a cage
It's not about me, honestly
Just don't want to hear you did the same thing
Everyone knows I don't stop when it's hard
Now they know I'm not calling it off
Everyone knows I won't stop when it's hard, now

Nobody's speaking up, but they're talking so loud
No one forgot it, they're just waiting for the right crowd
It's not water, water, water, water under the bridge now
It's not water, water, water, water under the bridge now

Calling it one thing is not not okay
It might move for a bit, but it won't go away
You can cover it up, but you better dig deep
You call it your day, it's the voice in your dreams
It's not one thing or two, it is every thing
You can cover it up, but you better dig deep
It's not water, water, water, water under the bridge
It's not water, water, water, water under the bridge

Nobody's speaking up, but they're talking so loud
No one forgot it, they're just waiting for the right crowd
It's not water, water, water, water under the bridge now
It's not water, water, water, water under the bridge now
It's not water, water, water, water under the bridge now
It's not water, water, water, water under the bridge now
