

You've Been Gone

Ria Mae

You don't see how I seem to be alright already
But you don't see me in the morning when I wake up

No stranger or yellin', slamming the door, listening to you leave
and sleeping alone but this is the longest you've been gone

You're slowing tearing my heart out by holding on
And I can't seem to find shoulders to cry on when it's my fault

More painful than these memories
This brand new house you'll never see
Now you're gone, was I wrong?
Please slow this down a little, you're moving on

No stranger or yellin', slamming the door, listening to you leave
and sleeping alone but this is the longest you've been gone

You're slowing tearing my heart out by holding on
And I can't seem to find shoulders to cry on when it's my fault
, my fault

Fault, fault, fault
Fault, fault, fault
My fault, fault, fault
My fault, fault, fault

You're slowing tearing my heart out by holding on
And I can't seem to find shoulders to cry on when it's my fault
, my fault, my fault, my fault
