Yeah, they bitin' on my flows, Amiri trendsetter  
Yeah, YSL cologne and my shoes Margiela, huh

Tell 'em, "Protect your racks," lil' nigga, don't let them count your change  
And I got so much shows, I got too much flights, I switch from plane to plane  
And I know me and slime ain't kick it in a long time, 'cause they throw dirt on my name
