

Can't Win

Rich Amiri

That boy Jdolla go crazy

I know you watchin' me
Why won't you talk to me?
I want you, you only
I been feelin' lonely
I need you to hold me
Why won't you just call me back? (Back, back)
No one by my side, I feel like I can't win (I can't win)
Thought you was a saint the way you count my sins (Count my sins)
Gas to the brain, I don't pop no xan (Pop no xan)
On my own, I can not fuck with no fake friend

I am an overachiever, uh (Yeah)
I made a bag, I don't need it (Go)
I spend it all right on my people (Uh)
Cut off that ho, I don't need her, oh (Ah)
I already know she an eater, yeah (Ha)
And she been lookin' to 'ceive him (Go)
But, no, I cannot keep her, woah (Uh-huh)
Pretty lil' ho just like Geneva (Fuck)
Hellcat zoom just like a cheetah
Kick in your door, some like FIFA
Plug hit me right on my beeper
He got the drop, can't put him on speaker (Uh-huh)
I'ma just hit the lil' ho and delete her
Know she a thot, I really don't need her (Oh)
I'm with the gang, just smokin' on reefer (Yeah)
If I go down, I know they gon' be there
Yeah (Yeah, yeah), uh (Yeah, yeah), I said, yeah

I know you watchin' me
Why won't you talk to me?
I want you, you only
I been feelin' lonely
I need you to hold me
Why won't you just call me back? (Back, back)
No one by my side, I feel like I can't win (I can't win)
Thought you was a saint the way you count my sins (Count my sins)
Gas to the brain, I don't pop no xan (Pop no xan)
On my own, I can not fuck with no fake friend
