

IM WIT IT

Rich Amiri

Ugh

I'm in the Southside with some bitches
This K9, it got me trippin'
We got new sticks, this shit glitchin'
New nigga died, they like, "Who did it?"
Tell the PI, "Mind your business"
Gang said he got new licks, I'm with it
Spent five figures on drugs, damn, I'm still noddin' (I'm with it)
Whip faster than a slug, damn, this shit gnarly (I'm with it)
Spent five figures on drugs, damn, I'm still noddin' (I'm with it)
Whip faster than a slug, damn, this shit gnarly (I'm with it)

Broke boy tryna touch my riches, you can't even touch my bitch
He was dissin' all up on the 'net and I ain't seen him since
Yes, I sip Actavis, can't let P.O. check my piss
Yes, I got whips on whips, car garage don't make no sense

Said she tryna have some fun with me, bitch, I'm with it
Said she tryna see what's up with me, bet, I'm with it
Told my shooter, "Take 'em down and don't leave no witness"
Told my shooter, "Gun 'em down," he said, "Bet, I'm with it"

You can't take none of my drugs, I been locked with my plug
Model ho showin' me love, clothes, I got way too much
Rank, we got way too much, rounds, we got way too much
Oh, you thinkin' you tough? I pull up, new Bentley truck
Fold, don't fold, boy, get dubbed, Draco fit in, get fucked
Trippin', I'll turn it up, or maybe I do too much
Nah, nah, fuck that, I'm not trippin', I know that I'm with it
Yeah, 5-7 bullet never missin', you know that I'm with it

Said she tryna have some fun with me, bitch, I'm with it
Said she tryna see what's up with me, bet, I'm with it
Told my shooter, "Take 'em down and don't leave no witness"
