Rich Amiri

Swear, I'm selfish, yeah (Hey, ayy, what the fuck goin' on, Maaajins?)
Swear, I'm selfish (Hey, hey, hey)
Swear, I'm selfish, yeah (Hey, hey, hey)
Swear, I'm selfish (Swear, I'm selfish, yeah)
Swear, I'm selfish, yeah (Swear, I'm selfish, yeah)
Swear, I'm selfish, yeah (Swear, I'm selfish, yeah)
(Hey) Yeah

Bae, I need you to myself, swear, I'm selfish, yeah
You fucked up and did me wrong, I would never, yeah
If I did anything wrong, you can tell me, yeah
I don't need you, wanna go? I'ma let you
You be countin' all my sins like you do nothing wrong
You love me, don't feel the same, I had to let you know
Finna call this bitch again, I hit another low
I can't put up with your shit, I hate your episodes

I got a new pack for the low
Hop in the coupe, ridin' through the snow
Give me the loot, gotta get it all
Hittin' your boo, hit her like the folks
Lil' 22 hit you in your nose
Don't know why you actin' up
I know that you wanna know
You say that you want it, I know you just talkin'
Chopper bullets get to sparkin', blast off like a rocket
Me and brodie just went shoppin', spent a band in Follies
Walk in Prada, had to cop it, I'm the trending topic

I swear, I'm selfish
I swear, I'm selfish, yeah
I swear, I'm selfish, yeah
I swear, I'm selfish
I swear, I'm selfish, yeah
I swear, I'm selfish, yeah

Bae, I need you to myself, swear, I'm selfish, yeah

Girl, I need you to myself, I'm too selfish, yeah
Deal with anxiety by myself, you not helpin', yeah
Told you hit me if you need anything, call me, yeah
Me and Amiri gettin' rich, we hit up Follies, yeah
They was just sleepin' on my name, I got insomnia
Conversations with my racks, I love to count it up
That ho want me, I don't want her, so I gotta get the fuck
I'm sippin' on mud, true love in my cup, that's what's up

(Yeah, I'm selfish, yeah, yeah, I'm selfish, yeah)
Oh, oh-oh (Yeah, I'm selfish, yeah, yeah, I'm selfish, yeah)
