

So Long

Rich Amiri

She gonna come back again
Break her back again
She told me that I'm the man
I guess I'm the man
You don't need no other man
Not no other man
Boy I'm a big dog
Not no middle man
I ain't seen ya hoe in so long
I ain't save a hoe in so long
I ain't love you in so long, so long

I ain't talk to you in so long
Now you stand up on your feet
Boy you so strong
You know that I'm proud of you
Took you so long
In that Kawasaki coupe chop the doors off
Then we doze off
She gonna come back again
Break her back again
She told me that I'm the man
I guess I'm the man
You don't need no other man
Not no other man
Boy I'm a big dog, not no middle man
I don't got nothing for you, don't tell me what you need
Know that lil' hoe adore you, but she wanna be with me
How you gone ask if I trust you, woah
How you gone ask if I love you, woah

Told my brother we gone be straight
We ain't there, we gone be there one day
We ain't there, I might get that bitch a wedding ring
We ain't there, but you know, woah
(I ain't seen ya hoe in so long)
(I ain't save a hoe in so long)
(I ain't love you in so long, so long)

So long, damn my money so long
You know I could never lose, I can't do wrong
And my bro just popped that Perc', so he too gone
And my bitch she got them curves, got it from her mom
I miss you
Man I cut off all my hoes, I miss you
I'm so sorry all the shit I put you through
You so strong, baby girl you pull through
I peeped your story the other day, did you notice?
You the only one for me, bitch you know this
And you always on my mind, I can't focus
I'ma be there for you, even at your lowest

I'ma be there for you
Been waiting so long, I been waiting for you
Voices in yo head, they gone always haunt you
I'ma be there for you
