

STORMI DANIELS

Rich Amiri

Yeah, model bitch, she ride it like a porn-star
Been too long with this bitch, she got me bored now
Yeah, 'Ventador, I'ma swing the doors out
If it's up, gon' 'head, put it on the floor now

Yeah, model bitch, she ride it like a porn-star
Been too long with this bitch, she got me bored now
Yeah, 'Ventador, I'ma swing the doors out
If it's up, gon' 'head, put it on the floor now
I just got a Cuban bracelet for a fine amount
Two time on a bitch, I promise, she ain't findin' out
Shawty basic really, I don't see what the hype about
All it took was a couple racks to wipe her down

Real rich stepper, bankroll hold my pants down
What you said all on the phone, gon' 'head say it now
Your bitch really ain't your own, I hate to let you down
I'm in designer head-to-toe when I'm steppin' out
If I say I love her, I'm a fuck her head up
Tired of screenshot bitches, got me fed up
Tried of "Please, please" niggas, get your bread up
Ain't no competition that ain't on my level
Yeah, oh, you want me? Better come and get me
Yeah, automated, I don't got to park the Bentley
I won't say a word for free, it cost to talk to me
She want everything from me, that girl is not for me

Yeah, model bitch, she ride it like a porn-star
Been too long with this bitch, she got me bored now
Yeah, 'Ventador, I'ma swing the doors out
If it's up, gon' 'head, put it on the floor now
