

Yellow

Rich Brian

How do I disappear without anybody knowing?
Will anybody even miss me when I'm gone?

Bottle full of liquor, I'ma drown tonight
Life looks so easy, all you gotta to do is close your eyes
Please don't call the reverend, I don't need no help
Bury me a legend I'ma dig the grave myself
I can't remember when I last felt alive
Don't try to save my life, I'm already on my way tonight
The blood is on my hands it's either do or die
Don't even try to save my life (save my life)
They gon' memorize my name when I'm gone
And they gon' recognize my face when I'm gone

How do I disappear without anybody knowing?
Will anybody even miss me when I'm gone?

Bitch! Hello?
Don't fight the feeling 'cause I'm yellow
Will I make it? Who the hell knows
You want my soul but we don't sell those

Yeah, ayy, oh
Got a full clip, don't even carry no guns (gun)
Don't need no ice, feel like I'm 21 (21)
Breakfast and lunch, she gon' swallow my sons (sons)
Dinner, dessert, eat these rappers for fun (fun)
Don't give no fucks if you don't fuck with my shit

On a day (On the day)
The bullets block out the sun (The sun)
We are fools (We are fools)
Pointing at everyone (Everyone)
But ourselves, 'cause we're the only ones to blame (We're the only one's to blame)
It's insane (Oh, it's insane)
'Cause no one ever wants to change
